Issues for discussion:

Is it time to do another press conference relating to "Remain in Mexico" policy?

Since membership attendance is down should we conduct a survey asking about date, time & place?

Postcards...since it's past the time when new legislation can be introduced should we hold off?

We need to start gathering stories and pictures from immigrants held in Mexico. The goal is to get the message out about the realities at border.

What is the best way to do this?
